Western Pennsylvania Genealogical Society

4400 Forbes Avenue, Pittsburgh PA 15213-4080

Voice Mail: 412/687-6811

Website: wpgs.org

QUARTERLY: Published continuously since 1974. Contains scholarly articles, abstracts, and other materials about the 26 counties in Western Pennsylvania (map inside front cover). The articles are indexed in the Periodical Source Index (PERSI), available online through Heritage Quest, on CD-Rom and in print form in many large libraries. Back issues from Volume 25 to date can be purchased, subject to availability, for \$5.00 per issue, plus \$3.00 p/h. Volumes 1 through 5 are available on the members only section of our website and later volumes will continue to be added. Address correspondence to the Quarterly Editor at the Society address.

NEWSLETTER: *Jots from the Point* is issued bimonthly and contains news of current genealogical happenings, member activities, synopsis of WPGS meetings, and other Society news. Address correspondence to the Jots editor at the Society address.

PUBLICATIONS: The Society has published research volumes, church and cemetery locators, naturalization abstracts, newspaper abstracts, atlases, etc. Our current publications brochure is online at wpgs.org or can be ordered from the Society by request.

LIBRARY: The WPGS library is a reference library and books are not available for inter-library loan. However, our research committee is available to do limited research (within our collection) for a fee. See our website at wpgs.org to search the library catalog and for information on requesting research.

We actively solicit new books dealing with Western Pennsylvania, family histories and genealogies (about area families), handbooks, manuals on international research, etc. Many of these will be reviewed in the Quarterly. If you have older books or manuscripts to donate to the library, contact the Library Chair to see if the donations meet our current acquisition policy.

FIRST FAMILIES OF WESTERN PENNSYLVANIA: A lineage society open to WPGS members who can prove their descent from an ancestor living in Western Pennsylvania by 31 December 1810. Search for proven ancestors on the "Members Only" portion of our website. An application form and Rules of Evidence can be downloaded from our website or can be ordered from the Society address.
