New Castle College Lawrence County, Pennsylvania

Samuel A. Farmerie, *Compiler*

New Castle College, chartered in 1873, operated in the City of New Castle from 1872-1881. Under the leadership of A. E. Lee, its opening curriculum was designed so that a student took only one course at a time. The program was subsequently revised to permit a student to pursue three courses during an academic term. Enrollment was 75 during the institution's first year of operation. It rose to 302 during 1875-76, the only year for which a catalogue is available. Course listings included science, philosophy, ancient and modern languages, music, painting, drawing, book-keeping and normal training (the preparation of elementary school teachers).

"Imparting moral principles is regarded as an essential element of its training, yet the College is strictly non-sectarian and is designed for all classes of students, both ladies and gentlemen, of good character" was the College's mission statement. Some unique features in the institution's charter:

- it was for a term of only twenty years
- the capital stock was not to be divided into shares
- there were to be no subscribers to the capital stock
- expenses were to be defrayed through contribution and the fees assessed the students.

Speaking of fees, tuition averaged \$1 per week in 1877. The United States Commissioner of Education classified New Castle College as a secondary school. The names of the trustees listed in court house records appear below. All of them resided in New Castle. The reader should bear in mind the difficulty in transcribing deteriorating hand written records.

Spelling and the order of names below are as they appear in the 1875-76 Catalogue. As in the first article in the series, a number of student family names appear on initial list of trustees and faculty. The institution had two categories of instructional personnel—regular and normal school. The normal program was a six week summer activity. Judging by the length of the Normal Program roster, it may have been the College's "bread and butter" program. Instructional staff listing follows:

Faculty

John R. Steeves, President, A.B.	
Rev. J. Fritz	Lizzie Simpson
Mary J. Clark, M.S.	H. F. Johannessen
John H. Miller, B.C.S	Sarah McCarroll, A.B.

Rev. Eugene Edmonds, A.M.	Harry Peebles, M.D.

Aiken was Lawrence County Superintendent of Schools. Gantz, a prominent New Castle educator, was New Castle Superintendent. A New Castle school was subsequently name for him. At the age of thirty-one Jeffers became President of Westminster College (New Wilmington).

This is the second in a series of manuscripts dealing with defunct secondary schools in late nineteenth century/early twentieth century Lawrence and Mercer Counties. Rose Point Academy, first in the series, appeared in the first issue of Volume 38. An article on Volant College (not part of this series) appeared in WPGSQ, Volume 34.

There were other institutions of this ilk in Lawrence County, e.g., New Castle Female Seminary, Harlansburg Academy, Mt. Jackson Academy, New Castle Classical and Mathematical Institute, etc. Unfortunately their records have been lost in the sands of time. Next in this series will be a number of manuscripts addressing the preparatory (feeder) school operated by Westminster College.

Treasurer's Book for the Mahoning Associate
Congregation, Indiana County, Pa.
March 27th, 1834

transcribed by Barbara Braden Guffey

The Mahoning congregation was first occupied as a preaching station in 1809 and continued as such about nineteen years. In 1828 it was organized as a congregation, and the first officers elected, namely, William McCreery and Hugh Hamilton. (from *History of Indiana County, Penna.* Newark, Ohio: Caldwell, 1880.)

Although the treasurer's book is titled 1834, it was evidently used to record contributions from the members for a period of years. No other dates are given, so it is impossible to determine exactly when the following were members of the congregation.

Volumes 1 through 5 are available on the members only section of our website and later volumes will continue to be added. Address correspondence to the Quarterly Editor at the Society address.

NEWSLETTER: *Jots from the Point* is issued bimonthly and contains news of current genealogical happenings, member activities, synopsis of WPGS meetings, and other Society news. Address correspondence to the Jots editor at the Society address.

PUBLICATIONS: The Society has published research volumes, church and cemetery locators, naturalization abstracts, newspaper abstracts, atlases, etc. Our current publications brochure is online at wpgs.org or can be ordered from the Society by request.

LIBRARY: The WPGS library is a reference library and books are not available for inter-library loan. However, our research committee is available to do limited research (within our collection) for a fee. See our website at wpgs.org to search the library catalog and for information on requesting research.

We actively solicit new books dealing with Western Pennsylvania, family histories and genealogies (about area families), handbooks, manuals on international research, etc. Many of these will be reviewed in the Quarterly. If you have older books or manuscripts to donate to the library, contact the Library Chair to see if the donations meet our current acquisition policy.

FIRST FAMILIES OF WESTERN PENNSYLVANIA: A lineage society open to WPGS members who can prove their descent from an ancestor living in Western Pennsylvania by 31 December 1810. Search for proven ancestors on the "Members Only" portion of our website. An application form and Rules of Evidence can be downloaded from our website or can be ordered from the Society address.
