HOWE'S STANDARD PLATFORM SCALES.

Warranted Durable and Accurate.

These Scales require no Pit. Have no Check Rods. Receive all friction and wear on *Chilled Iron Balls*, instead of keife edges as in other Scales. No jarring of the platform affects the working of the Scale. They are uniformly correct, convenient and durable. Having been awarded numerous first-class premiums by County and State Fairs, some of which are the foll wing:

New York State Fair,
Virginia Agricultural Fair,
Franklin Institue Fair, Phila.,
Virginia State Fair,
Vermont State Fair,
United States Fair,
Chicago Mechanics' Inst.,
State Fair. Jacksonville, Ill.,
Vermont State Fair, eight years in succession,
N. Y. State Fair, (Portable Scales,) Elmira,
Erie County Fair, Buffalo,
Wisconsin State Fair, Madison,
Ohio State Fair,
Maine State Fair,
Mass. Charitable Mechanics' Association, Boston,

*Send for Circular and Certificates for further
information.*

Waterford Nov 10th 1876
Dear Pa

When I wrote to you
last I had no idea that such
a length of time should elapse
before I would write again
of thinking of it and realizing
that it ^{should be} ~~was~~ done would write
letters I would be an admirable

New York Evangelist 988

Wayne June 27th 1855

Mr. Boyd

Dear Sir

I was requested to write to you to see if you would let your name be presented to the Republicans of Erie Co., as a Candidate for Director of the Poor, if Mr. Washburn will not run, & lend all of his strength & aid to you. The people in the rural districts think that Guke is too near Ribblet. That it will put two Directors in sight of one another. Please think this matter over carefully and let me know soon. Mr. Washburn told me that if any good man comes out he will fall off. So I was to write to you. I think that you could beat Guke with ease.

Yours truly

J. L. Timm
