

ASSESSMENT
OF
WATERFORD BORO

1878-1879

WATERFORD BOROUGH
ERIE COUNTY
PENNSYLVANIA

Commissioners' Office,

ERIE, July 20 1877 }

To

Assessor of

Herewith I send you two copies of the Registry made by you.

You will tack "No. 2" on the door of the place of holding your elections, before the first Monday of August.

You will retain "No. 3" in your possession, for the inspection, free of charge, of any resident of your District.

On the PERSONAL APPLICATION, at any time previous to Friday the 7th day of September next, of any person claiming the right to vote in your District, you will add his name to the list in your possession, giving his occupation, &c., in same manner as you registered the others previously, and mark opposite his name the letters "C. V.," and assess a tax against him at once.

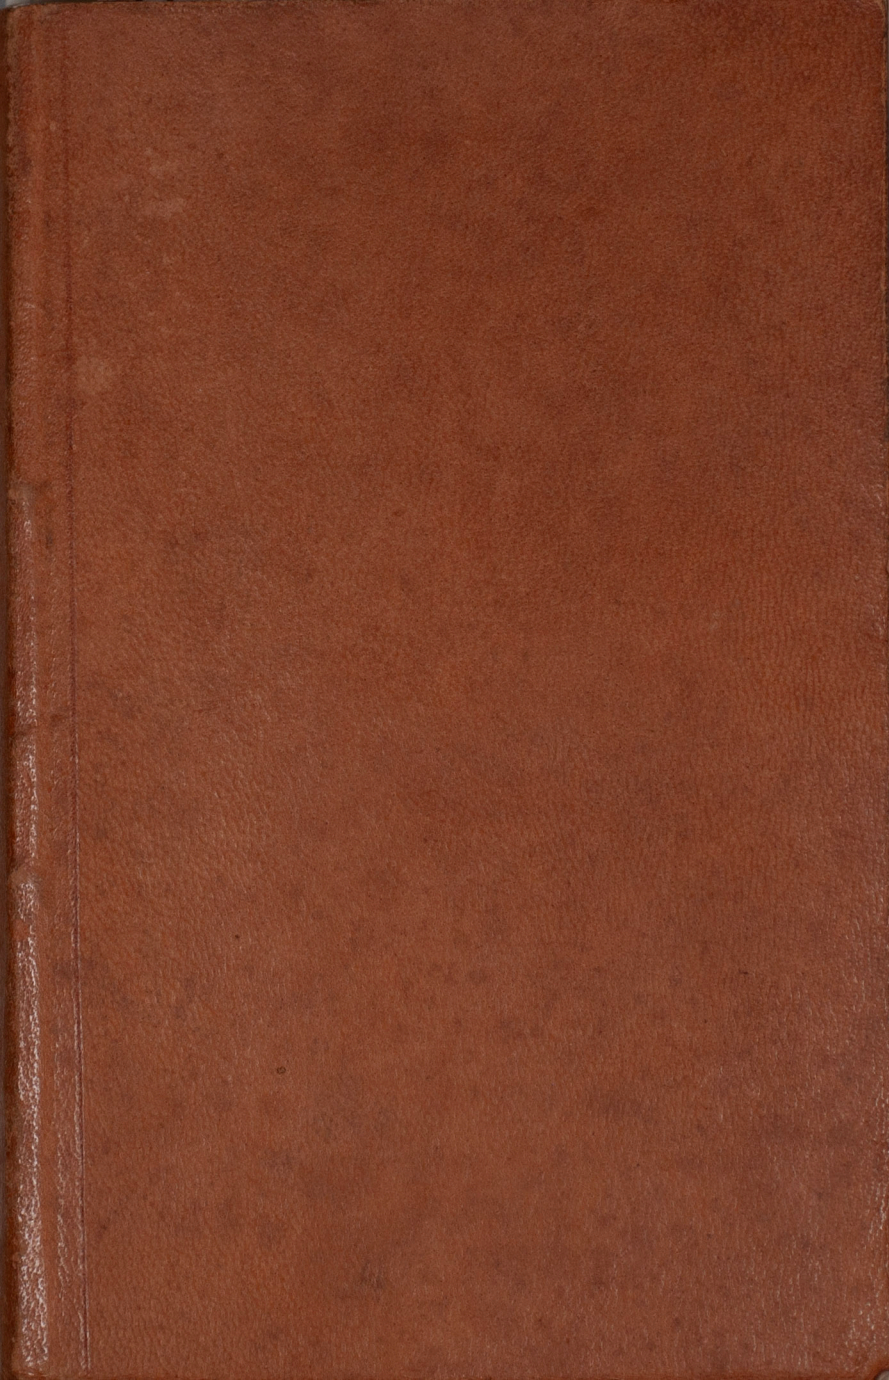

You will also attend at the election house of your District on Monday and Tuesday the 5th and 6th days of September next, from 10 A. M. to 3 P. M., and from 6 P. M. to 9 P. M., to hear and act upon *personal* applications to be registered, or relating to names upon your Registry, or that are sought to be placed thereon, or struck therefrom; and you will correct your Registry by adding thereto the names of persons entitled to vote not already thereon, and by striking therefrom fictitious names, or names of persons who may have died or removed from your District.

You will then draw off, on the blank sheets herewith sent you, a separate list of the persons thus added, and on Friday the 7th day of September, you will mail, send or bring the same to this Office, together with a copy of the Assessments made on said persons.

On Election day, you will take your copy of the Registry, "No. 3," to the polls with you, for the use of the Board, and after the Election you will retain it.

By order of the County Commissioners,

C. J. Sennett Clerk.
